Pricing options shown below are simply GUIDELINES; every clients needs are different and my goal is to develop pricing that fits your individual needs. If the service you are looking for is not listed and priced, I will be willing to consult with you and determine an affordable pricing structure to fit your needs. These prices include personal assessments, dietary counseling, customized menu development including dietary restrictions and palate preferences, shopping for ingredients, meal preparation in your kitchen, food storage with easy to read labeling, simple and clear heating instructions, and a thorough kitchen clean-up.

## **ALL INCLUSIVE (INCLUDES SERVICES + COST OF FOOD)**

5 x 4 Meal Plan	5 Entrees with 4 servings=5 meals for a Family of 4	\$350
